

Church Camp at Cazadero Friday, Oct. 4 - Sunday, Oct. 6

Join your fellow congregants for a very special weekend this fall, as we gather together as a community of friends and faith in the sacred space of Camp Cazadero. Old or young, all are welcome at Camp Caz.

What happens at Caz?

Relax, Renew, Reconnect. The UCC's Camp Cazadero offers opportunities for rest, spiritual renewal, recreation, and worship among the redwoods. Activity options include talent show, swimming, conversation, worship, hiking, crafts, and dancing the Macarena!

How do I get there?

A three-hour trip. Camp Cazadero is a 3 hour drive from DCC, northwest of Santa Rosa near Guerneville. If you're interested in carpooling, we'll connect you with others looking to share the drive. If you are new to camp and not familiar with the location we suggest you get there in daylight hours.

Is it easy to get around?

Camp Caz is not fully accessible but participation is still possible and we will work with you to make it as easy as we can, given the facilities, to help you around. There are spots at camp that we can drive folks to--the slab, close to firebowl and up to Gill Lodge Dining Hall.

What do I bring?

A sleeping bag and pillow. Bring bedding (some prefer sheets for warm nights), a towel, layered clothing, and walking shoes. Some like to bring a folding chair. Lodging is in cabins with bunk beds and hot showers, and wonderful meals are provided. (Check out this full packing list on the website).

What should I wear?

It's camp! Dress is super casual. Lots of layers as it can get cold in the evening and you'll want comfy walking shoes.

I hear there will be another church there at the same time, what's that about?

It's First Congregational Church of Sonoma (FCC). We will probably make up 2/3 of the guests and they the rest. We generally have all the children!

How easy is the hike?

There are usually quite a few steep parts to the hike and sometimes the paths can be narrow. We don't move at a fast pace and everyone helps one another along! Duration is about 45 minutes.

What does it cost?

- Adults & Youth 12 and over: \$145 each for 2 nights or \$95 each for 1 night
- Children ages 6-11: \$85 each for 2 nights or \$55 each for 1 night
- Children ages 5 and under are free

How do I sign up?

Please register online at danvillechurch.org (under "Get Involved") no later than September 5. Or you can complete a paper form available in the office. You can use the "Additional Information" space to note dietary restrictions, interest in carpooling, etc.
